COMPANY PROFILE

CÔNG TY TNHH ĐTTM & SX HD THÀNH PHÁT

HD THANH PHAT CO.,LTD

1. Introduction

Customers & Market

Our customers are primarily local manufacturing and trading companies with needs in packaging and brand identity. At the same time, we are steadily expanding our reach into international markets to broaden our business scope and create greater value.

Products & Solutions

In an increasingly competitive market, we focus not only on product protection but also on enhancing our customers' brand value. Our product range includes paper boxes, carton boxes, cushioning pads, partitions, kraft paper-based carton materials, and comprehensive packaging solutions tailored to diverse requirements.

Capabilities & Quality Commitment

We are committed to utilizing advanced production equipment and modern printing and die-cutting technologies, supported by a highly experienced and professional team. Our production processes are continuously optimized, with strict quality control at every stage to ensure consistent delivery of high-quality products and services.

Partnership Approach

THANH PHAT is dedicated to building long-term and stable partnerships with customers through reliable quality, flexible production capabilities, and professional service.

Future Vision

Looking ahead, we will continue to uphold our spirit of innovation and improvement, striving to become a trusted partner to our customers while enhancing product value and market competitiveness.

Closing

We sincerely look forward to your interest and cooperation, and to growing together for a sustainable future.

VISION

We strive to become a reputable enterprise in the packaging manufacturing and printing industry in Vietnam, while gradually expanding into regional markets. Our goal is to provide comprehensive packaging solutions that meet the increasingly high standards and evolving demands of both domestic and international customers.

THANH PHAT not only focuses on business growth but also emphasizes sustainable development. We actively adopt modern technologies and continuously optimize our production processes to enhance the overall value of packaging products within the supply chain.

MISSION

THANH PHAT specializes in providing high-quality packaging products to customers, including carton boxes, pads, partitions, paper corner protectors (V-shaped boards), and other corrugated packaging products that meet diverse packaging and protection needs while complying with export standards.

At the same time, the company focuses on applying advanced technologies such as flexo printing, polymer plate printing, and digital printing to deliver professional printing solutions, helping enhance customers' brand image and value.

With a development philosophy based on quality and credibility, THANH PHAT continuously optimizes cost control, ensures on-time delivery, and is committed to building long-term, stable, and

STRATEGIC DIRECTION

In the future, THANH PHAT will focus on investing in upgrading production equipment and technological systems, moving towards modernization and automation to enhance production efficiency and product quality.

At the same time, the company will continue to expand its packaging product portfolio, with a strong emphasis on environmentally friendly packaging solutions to meet the growing trend of sustainable development.

In addition, THANH PHAT will continuously improve its quality management system, actively expand both domestic and international markets, and optimize operational processes to shorten production cycles, thereby delivering higher efficiency and better service experiences to customers.
